The Scene at CAMP GREEN

SPECIAL DAYS:
Friday, July 30
Superhero Day

Volume 22 Issue 4

Dear Parents and Campers:

Asphalt Green's Summer Day Camp 2010 is well underway with four weeks of fun, fitness, and friendship! Campers have been active throughout our campus swimming, playing sports, taking field trips, and joining in on plenty of games. With three weeks to go, more is still to come!

Thanks to all our parents who visited us at camp this week. It is fun to be fit, and we're glad that you were able to see your children in action!

Now that Sessions B and C are coming to a close, we're sad to see some of our friends leave for the summer. We will miss you! But if you're not ready to go just yet, there is still time to sign up for an extension. We would love to have you back.

Thanks for a great first half of the summer!

Mike Q. Bailey
Youth Sports Director

Simon Sez...

Our Pandas and Koalas took an adventure to the Bronx Zoo for a whirlwind tour of wildlife this week.

Meanwhile, our Teddies and Gummies explored the

Brooklyn Children's Museum for some lessons in natural science. The fun-filled week ends on Friday with a super-sized game of Simon Sez with Steve Max and a Coin Drive pool party with Youth Sports Director Mike Bailey. To celebrate their Coin Drive victory, Gummy 3 is also heading to Last Licks for some ice cream treats!

Asphalt Green Knows How to Party!

Did you know Asphalt Green can host your child's next party? We have a variety of packages wrapped around the sports they love at Camp: gymnastics, baseball, basketball, flag football, martial arts, soccer, and swimming. Visit us at asphaltgreen.org/parties for more information.

SENIOR CAMP

Ages 8 - 13

Out in the Field

This week our Senior Campers helped make the trails around Bear Mountain and Harriman State Park a little more green. On a field trip with Outdoor Bound, Campers participated in a variety of fun games and lessons related to saving the earth. After an introduction to earth ethics, the Campers hit the trails armed with gloves and trash bags ready to make a difference! The Cardinals made their mark on the Hessian Lake Loop, while the Bluejays cleaned the West Meadow. The Leopards got deep into the picnic area of Bear Mountain. The park rangers took notice and gave campers their biggest thanks!

Back at Camp

Senior Campers continued to work on their skills in Circus Arts. In the last four weeks, they have perfected their technique juggling, spinning diablos, manipulating devil sticks, and walking on stilts! Starting next week, the acrobatics and hand balancing unit will be introduced where Campers will learn different poses and pyramids.

Now you can read all of the issues online at: www.asphaltgreen.org/camp and see photos on our Summer Day Camp Facebook Group!

MEET THE DIVISION LEADERS

Pandas
Dwayne Davis is in his sixth summer at Asphalt Green Day Camp. Starting as a General Counselor, Dwayne is now the Division Leader for the Pandas. When he's not at Camp, he is working towards his Masters degree and is the coordinator of the VBCC Youth Leadership Ambassador Program for the Diocese of Brooklyn. Dwayne loves to work with the campers and camp staff as he develops his skills to be a great leader and supervisor. Challenge him anytime at checkers, his favorite childhood game!

Gummies
Christine Blake is the Gummy Division Leader. She is also a former gymnastics coach at Asphalt Green. Christine has been a part of Day Camp for five years and always looks forward to meeting the new campers while seeing old friends from the past. As a pre-kindergarden teacher, working with the campers is one of her favorite ways to gain experience with children outside of the classroom. She's also looking forward to another memorable summer at Camp!
