Pickleball Court Rules

- Courts are available to Asphalt Green members on a first come, first served basis for both doubles and singles play.
- When both courts are in use, Open Play rules are in effect.
- If courts are full and players are waiting, games are to “11 points, win by 2” and game duration is limited to 15 minutes. Players can rotate back onto courts as many times as they desire.
- When courts are full, waiting players may place paddles next to the net of a game in play. When the game is over, players will relinquish the court to those waiting, as follows:
 - 4 paddles down: all players leave court to those waiting.
 - 2 paddles down: the winning team may stay on, or the waiting players may choose to play singles.
- Double stacking of paddles (playing a game while having a second paddle waiting on another court) is not allowed.
- An individual may not hold a court when players are waiting.
- No private lessons for compensation permitted.
- Return all borrowed equipment used (balls, paddles,) to the Welcome Desk on the Cellar-level. If you notice any damage or missing equipment, promptly inform an Asphalt Green staff member.
